“ I just found out about Ray...They were my neighbors at the "Big House" on Walnut street for years....The best neighbors in the world!! I missed them so much when they moved...They kept the yard in pristine order unlike my neighbors now...I am so sorry to hear this about Ray...I would have come to the services had I known...He will always be one of the best guys in the world in my eyes....RIP my friend....

“ I met Ray when he was buffing the old Gregerson's store floor when WV Grant was coming for revival in Gadsden. His heart of gold was shining brightly!
