“ Growing up Barbara Ruth and my mom were good friends so all of us kids got to spend lots of time together. She had enough kids to have her own ball team but she was always glad to have us kids come over to. She has always been a strong woman and an inspiration to us girls. She could handle anything she was facing and she did it with determination and confidence. She and all of her children will always be a part of my heart even though we never see each other anymore. One of those families that to know them is to love them! She will be missed by many but never forgotten.

“ I’m so sorry about Bobbie. She just found me on FB a couple months ago. Even though we hadn’t communicated for many years, she still was my cousin and I was so glad to hear from her. Love and prayers to her loved ones.💕💕
