“ *What can I say about my Sister Betty sue, "Bet's". She was such a kind soul and loved her family to the moon and back. My heart has been very heavy for she will be missed more than I can stand to write about. I have longed for her for sometime; but knew it was her final chapter. May she have the peace and assurance she believed was possible through her Eternal Father.*

*Betty had always been there for me in my childhood and years there after. Will never forget her kind eyes and gentle touch to my life. closing with open arms and gentle tear for you sis. Love always, Sister Nancy.*

“ Aunt Betty was always so kind. You never visited her and left empty handed—She was the most gracious host with a heart big as the moon. I’ll never forget going to see her when Allen and I first married and when we went in the next room alone she said (not mean but serious)

“Liz, you be a good wife to Allen, He is a good man & they ain't many good ones out there”

Then she smiled and hugged me.

I love how she loved our family not only Allen & I but our boys too. Always lifted us up and bragged on how proud she was of us.

I know heaven gained another saint. She lived the life of hands & feet of Jesus with all her kindness she showed everyone around her.

Just maybe she’s hanging out with my mommy & daddy ☐

“ Sept 28, 2015, There was some walk-a-thon thing on base for Breast Cancer Awareness I believe. We pushed her in her wheelchair for the event, but she still got out and participated in her own way to show support.
