“ So sad to watch you leave so early, especially with so much left to accomplish in life
I know now that the pain in your heart was just too great for you to cope with. But a far
Brighter day is dawning for you Devron and you can be at rest with your beloved Son

“ *Bobby was my school friend from probably 3rd grade. We were friends for a lot of years and lost contact till recently. He was always just a good ole boy and that's about as good compliment as anyone could ask for. I Love You My Old Friend, And know that you are at peace in the arms of our Lord.*
