“ I only knew Ms. Brenda for a few days as her roommate at Encompass. She seemed selective in who she would respond to and one morning as I was passing her bed she answered my good morning with one of her own. I could tell by her two daughters Tammy and Vicky that she was a good mother because they were extremely loving to their mom. She raised them well. I was blessed to have a few moments over the next few days to get to know Ms Brenda's daughters and son in law, John. Y'all are precious to me. And you're in my prayers!
