SH

Bridgette,

What do I say? I can't find the words. I know one thing for sure, you aren't in pain and you have had the honor of meeting Our Savior face to face. I'm sure you've already sat in your daddy's lap and have a huge smile on your face. For that I am grateful.

I hope you knew I loved you. Yes, I was hard on you. But I always loved you. And I always will.

I think of the most random things we did or said and I laugh and cry at the same time. You were one of a kind.

I hope you realize your worth now. I hope you realize one of the last things I said to you is so very true. You are worth more than rubies or gold and that God loved you so much He knew YOU was worth dying for. He knew your heart.

Do me a favor sweet baby, give Jesus a huge hug for me and tell Him I love Him and Bridgette I will always love you.

I won't say goodbye. I don't have to so See ya later Sis! Enjoy dancing with the Angel's until I get there then it will be my turn to show you how it's done. 🤔💕💕

*Love,
Sherri*
