“ I served with Clif onboard the USS King from 83-86. We were in the same duty section the entire time I was on the ship. We were promoted to EM3 together. He was a trusted friend and shipmate. One of the kindest man I've had the pleasure of knowing.

*It's been a little over three years since you have passed away and it still does not seem real. It was comforting to me to know that you were there, even though we didn't get to see each other as often as we'd like. Thank you for setting Ron and I straight about keeping our room clean, when you came in from leave, after completing boot camp in the U.S. Navy. Since then, Ron and I have had our act together. Miss you brother. Love you and eagerly awaiting our grand family reunion when Christ returns.*
