“ I remember going to a spend the night party (possibly a birthday party) at Dianne's house there were at least 10 of us silly young teenagers. Dianne was had the kindest , most gentle spirit . My last memory of her , she was at the school where I was teaching at the time , I didn't see her at first but so recognized her voice . It was a sweet time of catching up . I was so impressed that she started her teaching career about the time I was beginning to look forward to retiring . Lol she was a sweet , precious friend that I treasured. Claiming for supernatural peace to surround Wayne , her sons and their families
