“ *Ed and I are very sad for the loss of our beloved Libby. She truly was a jewel of a lady as a sister/sister in law. We loved her very much.*

For many years, when we visited I looked forward to those delicious chocolate cakes with a center of frothy white homemade marshmallow that I could never duplicate. What a baker.

I will always remember hugging her as we stood in her living room and saying to her "I love you Libby."

She hugged me tightly and whispered "I love you too." What a great memory of a beautiful lady. I will cherish that memory forever.

We regret we are not able to be with your family and friends at this time. Peace and love to all of them.
