*This picture was taken right after we got married in 2004 17 yrs
together but together much longer 📌💙 The Funny thing was he was
my Boss when we first met many years ago. 🤔 We fell in Love with
each other Really Fast.... Omg you could Not keep me away from him,
I would ask him the stupidest questions just to be around him. 🤔
When I'd get off work I'd go home change clothes and go back to the
store just to be around him. 🤔
I'd stay there till he got off then we'd go out into the parking lot and talk.
