“ There are so many memories I have of my big brother it's hard to choose just one to share. He's been my big brother and best friend for over 54 years. All the pep talks and words of encouragement as well as my share of scoldings from him. I sure wouldn't change a thing except to bring him back to us. But I know he's in a much better place than us. Before I leave this I would like to give you a glimpse of what a great man he was. I was 8 years old my tonsils had to come out. George had leave from the Navy that week-end and took it to come home and be there with me he knew how scared I was. Anywhere my brother could be and he chose to be there with me. Man will I miss you till my heart stops beating. I love you with all of me big brother. Thank you Cindy for loving my brother. God bless 🙏🙏
