“Gloria was a life-time friend. She was a real angel for anyone who knew her would see her goodness. Always loved her smile and domestic ability. Saw this just now and realized her viewing has already taken place. So would like to reach out and let her family know how much everyone loved her. My brother and I thought the world of her. My mom knew and talked with her mother throughout our days of growing up and even continued after we were grown. My heart is aching and tears are flowing, just wish I could say, hey Girl, "How is it Going".

Prayers for all of her love ones and Friends.

Sincerely,

Nancy Knight
