“ It's hard to put into words what Jean meant to me, but I loved her like a sister I never had. She's always been there anytime I needed her and whatever I called for she was ready to help or do. I really will miss seeing her picking up pecans in the fall and winter, mowing her yard in the summer. She never bothered anyone but was there to support you if needed. James will definitely miss your baked pecans.

Gonna miss you sister-in-law and I love you,

Diane and James Lyles
