“ *I met Mike so many years ago as a little struggling family needing a rental home. Mike was one of the best souls. He helped us and for 20 years he watched our family grow along with our friendship. I don't know where we would be in life without our dear friend. Because he helped us we payed it forward so many times over the years by helping others. He taught us so much and we are going to miss him. Praying for his family and thankful he became a part of ours.*

“ Mike was more like a brother to me than a nephew. He was a wonderful and caring person. He was truly a role model and the heartache of his passing will last a lifetime. It is comforting to know he is with our Lord.
