

Jeanette (Mueller) Price

August 4, 1960 - April 28, 2026

Jeanette (Mueller) Price passed away peacefully on April 28, 2026, with kids and grandkids by her side. She was born August 4, 1960 in Frankfurt, Germany. She moved to Detroit, Michigan in 1984, where she earned her cosmetology license in 1988 and she became a hair stylist for many years. In July 2001, she moved to Toledo, Ohio, where she became a well-known cake decorator especially during her Walmart days. Jeanette was loved by many and touched many lives, just by being herself and allowing her faith to lead the way. She was filter free with a great and loveable personality. She enjoyed going to church, facetimeing her friends, and family, especially her grandkids, and doing her paparazzi, as she is united with her German Army, lets honor her by living life through our faith and filter free.

She is preceded in death by her daughter, Anna Maria Price; aunt Traudl; and uncle Paul Nuekem.

She is survived by her son, Robert (Sheila); daughter, Shimica; grandkids, Melina Price (great grandkids), Destinee, Deyvon, Andrew – Cater, Dominique, Ja’Vion, Sophia, Douglas- James, Bentley, and Makia; great grandson, Derrick III; her partner for 40 years, Andrew Rogers; God daughter Jaszmin Austin, Angie Carter, Ciara Carter, Krystal Rogers; grandchildren, Khassidy, King, Kase.

Special thanks to Brookwood Medical Center, and Village Chapel Funeral Home and Crematory.

“Mama words cannot express how I feel right now because I not only lost my mother, but I lost my best friend you were all I had. You were all Kia had I know you would want me to be strong not only for me but for her too I'm going to miss having coffee with you and just catching up on old times I'm going to miss your smell. I'm going to miss shopping together with you I'm going to miss making things with you. I'm going to miss just being able to call you and rant and complain, the advice, you would give me I will always keep dear to my heart I have so many letters from you so many books and I'm gonna master those German dishes one of these days I vow to make you proud from up high cause I know you're gonna be watching down on me. I promise to keep your legacy going all the things that you didn't get a chance to do, I'm gonna do my best to do them for you. I will honor your wishes and be one of the best daughters that you have. I'm gonna grow that garden that we talked about and I'm gonna get into healthier eating like we talked about. I promise to lay my life down for Kia and Destinee and Deyvon and Damir I had a great example of a mother although you weren't perfect you did your best and just know that that was enough for me. I will always love you. I will always keep you close to me now you can get your rest and be with Maria and Aunt Traudl and grandma. Give them my love and I hope you guys hold a place for me up there forever missing you my girl love always and forever till eternity your baby girl.

“ Hey my sister in love I had a feeling from our last conversation a couple weeks ago you were tired. We share the same birth month and age and had so much in common. I think about when you and your grandson walked into my house two years ago. You showed me such love and support! I will never forget that! It caused us to grow closer. I know you were suffering with your health and it had gotten difficult for you. My sis I know you wanted to stay here longer with your kids and grandkids, but we will all love and miss you dearly. You can go see Maria again with your other loved ones that have left us. I will have to hold it down here on earth girl sense you have went to heaven. Heaven has gained another beautiful angel, and one that has a heck of a sense of humor! I will see you one day again in heaven. ❤️❤️❤️

To the rest of the family you all have my deepest and sincere condolences, may God strengthen all of you and remember all of the special memories that you have with Jeanette. Remember she is watching over all of you from heaven with love! RIHeaven my sweet sister in love.

“ MaNette/Grandma Nette 🌸🌸🌸🌸🌸

You have been rocking with me for 40 years & this right here is a hard pill to swallow. 😞

Lord I am in disbelief, we had just spoke on the phone. I wished you wouldn't have never left Toledo. I wish we had more time. You were my girl, my bestie, my headache, my partner in crime & always will be.

I'm going to miss that accent, that laugh, that smile, that I'm trying to be hard but I'm really not type attitude 😞

I remember when you only could cook German hamburgers, but thank God you had gotten better over the years and began cooking like a pro & I was very proud.

We had alot of good times together.

I only wished we had another 10-20 years MaNette/Grandma Nette
