“ I remember staying up past midnight playing Uno and telling funny stories with my uncle! Some of my best memories in Gadsden were spent with Jeff. I love you all.

“ I am so very sad to read this. We grew up with Jeff and I can still remember him and my brother playing army and cowboys for hours. They were together all the time as little boys. Dear Guthrie family, you are in my prayers. May God grant you comfort from your memories at this difficult time.
