“ To Jerry’s family, he was a special friend to everyone that new him he never met a stranger. Fred and him could talk for hours Jerry sitting in his car or truck. He would take his shirt off his back and give it to someone if they needed one. Always going to Chandler Mountain to get produce then go and drop off to friends. I’m going to miss him so much. Gone but not forgotten. God Bless Fred and Pat Gober

“ To Jerry’s family. You had such an amazing dad and grandfather. I have never met a kinder man. Jerry was such a good friend to my mother after the loss of my dad. I never saw him turn his back on helping anyone in need, friend neighbor or stranger. He was so loved by my family. I pray for peace and comfort for you all.
