“ *Jo and I have been friends for 20+ years and I treasured every day of this friendship! We shared a lot of good and not so good times. We had LOADS of fun yard-selling, making crafts, shopping, or just simply “being” who we are. She even single-handedly painted the walls in my apartment before I moved in because I had to work. She physically moved me 3 different times with her trusty truck and horse trailer. I never had any doubt that Jo “had my back” in whatever situation. She had the kindest heart of anyone I know. She would do ANYTHING for someone in need, especially a child or animal! I was very blessed to call Jo Blanton my friend. I will deeply miss her all my remaining days. I love you, Jo! Carol*
