“ *may the lord be with all the family during the times of this CORVID-19 I LOVE YOU ALL. Pray for me I fell in 2017 and broke my left hip and the Dr. put 3 screws in. March 24 I was playing volleyball. In Sept. 2019 I broke my right hip, I fell on Detoma's bottom step. I was reaching for the hand rails and missed but I kept going and fell off. The Dr. put a partial hip replacement in the next day. I'm ok now use the walking cane outside sometimes inside, I fell a few times inside. I loved Joanna she was a blessing to me. I remember the songs she used to sing at Butler Church. She was a beautiful woman a flower God picked.*

“ I remember when I was 16 I stayed with Aunt Joanna and Uncle Larry through the summer. She treated me as if I was her own. One day we went to watch my Cousin Jeff practice football, at that time I hated football, didn't understand it. Every play she explained everything, what a down was, what a sack was, ECT. She would get so excited when my cousin would make a play. Now I love football, and now when I watch a game, I will think of her. Love you Aunt Joanna!!!
