“ We have just been made aware of Kitty's passing and wish to express our condolences and prayers for the family. Sherrie and Family: Mike's Mom and Dad were my parents best friends for years and they loved each other. We would go to their home every Christmas and other times and she was definitely my favorite adult. They were gracious and loving. My daughter was named Katherine in the prayer and hope she would grow to be gracious and kind and caring like Kitty. Prayers for you at this time.

Mrs. Brown was the mother of Mike Logan, an outstanding Gifted Teacher with the Etowah County Special Education Department. Mrs. Brown always supported the many activities that occurred with Mike's work. She will always be remembered for sending her famous sausage pinwheels to many events. Mrs. Brown told me how much she loved her son, that Mike called her every night. She was a treasure to many and was loved by Mike's wife, Sherry.
