“ *Pete ,Joe and Sam
I share the tragedy of this sudden loss of your Husband and Dad. My sincere and deepest condolences at this very difficult time. Ken was such a "help" and "inspiration " as I was escaping the "E.R." and transitioning to the world of Case Management..His always soft spoken ,and calm actions made him such a great co worker. Sharing many memories through "IVAN" and our rebuilding,along with shared stories of our kids at GBHS,were discussions that inspired me to rebuild as you were. I guess God needed a calming co worker,and good friend in His kingdom.*

May God grant you His PEACE and STRENGTH at this most difficult time!
