

## Kenneth Frasier

January 6, 1950 - February 20, 2023

Kenneth Frasier, 73, of Gadsden, passed away peacefully in his sleep at his home. At his request per his will he is to be cremated. He also requested no visitation or service, to make it as quick and easy for his family as possible. Kenneth served his country in the Navy during the Vietnam War. He worked at Goodyear until bad health forced an early retirement. He was a big fan of Alabama football and Etowah baseball while being good friends with Coach Larry Foster through the years. He also enjoyed playing cards with his friends. He is loved very much and will be missed dearly.

Kenneth was preceded in death by his parents, Hubert and Flora Frasier; and nephew, Noah Frasier.

He is survived by a host of family and friends.

In lieu of flowers, memorials may be made to St. Jude Children's Research Hospital, Shriners Hospitals for Children, or Disabled American Veterans Charity.

Honorary pallbearers will be Larry Foster, Bubba Christopher, Don Wade, Johnny Bailey, Brad Baird, Nate Kloskowski, Charlie Lipscomb, and Frog West.

Special thanks to Coats Bend Fire Dept and Etowah County Deputies.
