“ *Mine and Kenneth's birthday was a day apart. I was a Year older liking one day. When we were kids our parents would give us a Birthday party together and would rotate it. One year it would be on my Birthday and the next year it would be on Kenneth's. Kenneth was the joker in the family. He could always make you laugh. No matter how sad you really were. I know him, Michael and David are catching up now. I will miss him so much.*
