“ I miss you so much already. We went to the Mall today to buy your dress & I couldn't help but think of how I used to take you cruising with me around the Mall, me a teenager & you my little sister, who was just as cool! You were always my baby until you were grown. I can't imagine how awesome it was for you to go to sleep Monday night & wake up seeing Jesus & Mama Tuesday morning. I will love you & miss you until I see you again.
