“ *The Brewer Family:*

I am just now learning of Larry's passing. He actually passed about the same time as my dad. My name is David W. Greeson, i was in the Air Force Reserve with Larry for several years. He was always a pleasure to be around and talk with. Never a dull moment with him. We first met down at Maxwell AFB in Montgomery and remained friends for many years. I am very sorry for your loss and may Larry RIP.

“ *Marlene & family,*

Words don't seem adequate at a time like this, but we send our condolences and prayers to you anyway. It is funny how our friendship with you and Larry started so many years ago over a simple thing like setting up a screenroom on our motor home. Larry walked by and asked if he could watch....and he ended up helping us. Our lives have certainly been enriched by the kindness that you and Larry have shown us over the years, and especially when we went to Talladega. Angels walk among us and though Larry has been called home, he will be watching over you always. His sense of humor, his smiling face, and his way of living life to the fullest with absolute joy, made him a very special man. He will be missed by all who knew him. Brian & Brenda

“ *Our lives were really made richer the day we met Larry. He had the soul of an angel which was obvious through all his actions. A more optimistic person we never knew. His spirit of kindness and joy will be surely missed.*

We know you are resting in peace with our Lord now and that your spirit will live on in all who knew you. We will always remember and love you Larry.

All our love, Ron & Cara
