“ I am Billie Snell. I was a pediatrician at Gadsden Pediatrics for a long time. I recognized her picture and name and wanted to tell the family that I thought she was a wonderful person. I will not be able to come to the service as I just had a hip replacement, but since I could not go, I wanted to send you all condolences. May God and Jesus put His everlasting arms around each of you. He is real and He is awesome. I will be praying for y'all.

Sincerely,
Billie K Snell MD

“ Damn, I just found out, I'm gobsmacked. Lisa, we knew each other since we were kids. I used to spend so much time over at your family's place, spending the night with Jason, and hanging out with you guys will always be among the best memories from my childhood. You were so full of energy and life, I can't even begin to imagine this happening, it doesn't feel real. Rest in peace, and Godspeed to Heaven.

“ I knew Lisa for as far back as when we were kids. She was my neighbor growing up. My favorite memories of her are from when we worked at Jacks. When we would work Sundays , we would cut up a little more because our General Manager (Christi) wasn't there. We would be working and I would randomly look at Lisa and she would stick her partial plate out at me. She would have me in the floor laughing to the point that I couldn't even work. Praying for all of you. I know your all will miss her. ❤️
