“ When we first started going to the Tabernacle Marie always stood out to us. It's hard when you're a stranger but she always came back to greet us & always said something sweet about something I was wearing or about me looking good when all along I thought of how beautiful she was. She was a special lady. I know she has suffered the last couple years but now she is enjoying the wonderful presence of our Lord where there is no more pain. I'll always think of her smiling face... sweet Marie. To Patti & the entire family, we love you & our thoughts & prayers are with you . ❤️

We loved Marie and go way back as friends. I think Patti was 9 years old when we are with them when they lived in Piedmont route. She gave me the best Peanut Brittle recipe that our oldest son loves at Christmad time. Every time I make it, I think of Marie! She will truly be missed, but so happy she is home where we all long to be someday soon!
