 Alice Hayes

Marilyn Hayes was a good woman. She will be missed by each and every person's whose life she had touched. I am praying for her family because no one is ready to let go of someone they love and that loved them so much, I know y'all feel lost and all alone and no words from anyone is going to stop the pain or full that empty void y'all are feeling so I won't even try to say anything like that but what I will say to y'all three is to always know that your Mother hasn't left you because she holds a home within your hearts forever, each memory that runs threw your heads and love that fills y'all heart keeps her close with y'all and I know it doesn't ease the great pain of not having all of her here with y'all I just wanted to say that she still lives within y'all each and every day. I am praying for y'all (children, grandchildren, great grandchildren) She loved her family so very much.
