“ Dear Lindsey and Natalie,

I'm so very sorry I didn't make it to the service. I misread the obituary and went to the funeral home on my lunch hour. When no one was there, I pulled it up on my phone and realized you all were at the church. At that point I didn't have time to make it to Glencoe. I truly regret not getting to be there.

I wanted to tell you both how I remember how much your Mom loved you girls. You were her life. I know you will miss her very much.

We worked together for several years at the Credit Union. We had some really good times. I miss those days so much. She was a good friend to me during a difficult time in my life. I will never forget her for that.

God bless you both and your families. My prayers are with you all.

*Love,
Deb (Hood) Hooks*
