“ We played, laughed, fought and shared each other's lives for 80+ years. But most importantly we loved each other through it all. I miss you Big Brother and I will love you and carry you in my heart forever.

“ No one is ever prepared for the loss of a loved one. Death leaves heartache no one can heal; but love leaves precious memories. We share the pain of loss as well as the good memories. We loved Uncle Marvin and he will always be with us in our hearts. And, while we cry for his loss we are comforted to know we will see him again.

While we mourn his loss, loved ones who have gone before are now rejoicing on meeting him again. St. Francis of Assisi said "It is in dying that we are borne to eternal life". We can take comfort in knowing he is now resting peacefully in the arms of Jesus.
