“ Pam was not only my 2nd cousin but she was my friend!! She had lots of talents. She grew up driving a transfer Truck so parking a camper was an easy job for her. Her Daddy was a Transfer Truck driver so she learned a lot from him. She loved camping and in the past few years we have enjoyed camping in the same campground. She was a nurse, and Worked at the VA for the past few years. I have lots of Happy memories of Pam. Recently I watched as a young couple tried to park their camper and took turns backing it in crooked. I walked over and asked if they needed some help. They both turned and looked me over!! you? I shook my head , no , I wouldn't even try, but I know someone who can . The man said, "Bring him on" I laughed and then went to find Pam. She came over and she asked him if he wanted her to park his camper. with doubt in his voice , he said , " you can try" She climbed in his truck and started to back the camper in. The man said I hope she doesn't scratch my new truck. By that time she had a crowd watching as she very carefully maneuvered the camper into the tight spot , perfectly!!!

“ I am a new employee at the Gadsden VA Clinic- I have been here for just a few months. Pam welcomed me and always generously helped me when I asked her a question. We even talked about shopping at Dirt Cheap. I only knew her for a short time, but I miss her greatly. My prayers and thoughts are with all those that knew her longer. My prayers and heart goes out to her family. Lisha Keith, HT PSA
