“ So sorry to read of Ralph's passing. A lot of the family did not know and would have been there in your time of grief. On behalf of the Joyce Willingham family, Dennis Wayne Simpson and Peggy J Ivy family we send our love and prayers.

We might not have seen much of Ralph on a day to day basis but he always showed up when the family had a death or was in need and we got to catch up. You don't have to see someone everyday to love and hold them dear in your heart with fond memories of your youth. We are grieving with you. May God be with you and the family.

*In loving memory, Aunt Peggy*
