“ *I worked with Becky at Comfort Care Hospice, she was one of the best nurses! Every time I seen her she always had a smile on her face! She had the most beautiful smile! When she spoke she always spoke with a soft voice, one that you could never forget and when she laughed she had a giggly laugh that would always make me laugh! She loved her kids and her family! She always had a story to tell when it came to her kids. She was my go to person when I had someone to talk to, she knew what to say and always knew how to turn a negative situation into something positive! She will be greatly missed!*

“ *Becky was a co worker. I loved working with her at GRMC. I came in contact with her later when she was a hospice nurse. She took the best of care of my Dad and my husband just a few years ago. Always kind and that big beautiful smile! God has the best. RIP Becky!*
