“ *Roger, I am so sorry to hear about your Son's passing. Sister Glenda called me last night and told me about it. I wish there was a way I could get up there to see you personally, but unfortunately I am tied up badly today. I just want you to know that I think of you pretty often and have great memories of our growing up together. You were and still are a good friend and it hurts to hear of losses of those we love. I am praying for you and if there is anything I can do for you please give me a call. 205.401.2995. Hope to see you soon.*
