“ *I am just in complete shock to see this . I am so sorry to hear about you losing both of them and especially just a little more than two months apart I truly know the pain of losing both parents and regardless of how much time there is in between. I do so wish you and the rest of the family hadn't had to go through this one at a time let alone both so very close together. Please take some comfort in knowing their lifetime of love, trust, commitment, honor and, devotion was truly one of those soul to soul, mind to mind, heart to heart, neverending kind of love everyone dreams of and only a very few truly ever have it They we're both so accepting loving funny and all the other*

*adjectives that describe anything good in anyway. I am sending lots of thoughts prayers and condolences to you and the rest of the family along with endless virtual and invisible hugs and kisses. And I know it's been said repeatedly but is true that your pain and grief does get more manageable over time but never completely heals until you get to see them again. Xoxoxo, Sarah Owens and gang*
