February 1, 1986 - June 28, 2026

Semone Alexandria Stanley Escamilla, age 40, of Glencoe, Alabama, passed away on June 28, 2026.

Born on February 1, 1986, Semone was the daughter of Scott Stanley and Tara Black. She had a love for music and found joy anywhere she could be near the water, whether at the beach, a lake, or a pool. She had a caring heart, never hesitated to offer a warm hug, and loved her family deeply. Her children were the greatest joy of her life.

She is survived by her husband, Jorge Escamilla; her daughters, Hannah Hood and her husband, Tydan Hood, and Bianca Escamilla; her son, Ivan Escamilla; her father, Scott Stanley and his wife, Jackie Stanley; her mother, Tara Black; her aunts, Barbara Stanley, Betty Giles, Connie Stabler, and Dedra Davenport; along with several cousins and extended family members.

The family will hold a private memorial. Please contact a family member for more information.

Her family will forever cherish the love she gave so freely, the memories they shared together, and the comfort of knowing her hugs will never be forgotten. They find peace in trusting that she now rests in God's loving hands. May His peace surround all who mourn her passing.
