“ First of all let start off by saying I am truly sorry for the of an extraordinary man. My condolences to the Walden family. Mr. Walden came into our lives over 21 years ago. My husband Ramiro Martinez worked with Steve for about 15 yrs. Steve was many things to many people, but to my husband he was his boss, a friend, a father figure and a mentor. She was one of the most kind and caring person I knew. He always had a smile. Even when the guys were playing jokes on him. He'd get so mad that after a few hours he'd sit there and laugh with. Ramiro and Steve spent many years on the road together. Spent many nights in hotel rooms in different states. They traveled just about all of the United States together. We have so many memories of Mr. Walden, but my favorite one was back in 99 when we were in Georgia. It was Easter and our daughter was 2 yrs old. After work Steve Ramiro Oscar And Lee hid Easter eggs all over the the hotel parking lot just so our daughter could celebrate Easter. He had a big heart. He always called Ramiro through out the years and always stayed in touch. We had planned on spending this Christmas with Steve and his family. But now that he's gone we will treasure and keep every single memory we have shared with him. And we will continue to pray for his family.

*From Ramiro Martinez and Family we send our heartfelt condolences to the Walden Family.*
