“ My name is Joey Clark. I met Tim over 35 years ago when I bought my first Honda from Phillip Grissom. He introduced me to Tim as the Master Honda mechanic. Through the years I have driven Honda's and Tim was the only person who ever worked on my cars. He was a kind, honest and humble man. Always willing to help and always told the truth about my cars. He will be missed by many who trusted him with their vehicles.

God has a master plan for our lives. I am a blessed man to have had Tim pass through my life. My prayers for your family during this difficult time.

“ *It was an honor to call this fine man my Brother-in-Law for several years, and I will always think of Tim that way. He was also a friend who went out of his way to help people in any way that he could. Many times he has worked on my car, and many times wanted to refuse pay, Tim and Lawana have been great support for Sam through his older years and illness, for which I am grateful also. We will always be Family!! And I am glad to have known you, Tim. I will see you again one day in Heaven!*
