“ I am so sorry. I had not seen Tim since high school, but have very fond memories of growing up, going to Pleasant Hill, our parents and families spending time together at each others' homes playing games and eating homemade ice cream. I send love to the family for the loss of Tim.

“ I grew up with Tim; went to school for 12 years with him and also went to church with him. I have so many happy memories of Tim and his parents. They were genuinely the nicest family you would want to meet.
My prayers are with Tim's family and friends.
Keep the beautiful memories tucked in your heart and he will live on forever!❤️❤️❤️
