“ Vicki and I were friends since our early teens, and shared many happy times together, as girls in Chattanooga, and were in close touch as adults. She was a bright light in my life, and that light dimmed when she got her wings. I loved her and treasured our friendship so much, and there will forever be a hole in my heart where she used to be. Rest in peace beautiful Angel.

“ *Vicki was my very first friend in life. We were in the first grade when we met, and through the years our paths crossed several times. Friends throughout all of those years. We shared laughter, tears, love and most of all our expressions of faith for our Lord and Savior. I will miss my friend, but I know I will see her again. Thank you for the wonderful years and precious memories.*
