“ It makes me sad to let you go. I know that I am vacationing here on earth and it is a pass through. But ...Daddy You are HOME. I will see one day again. The most memorialable thing my dad thought me as a young teenager was, "to always buy a new car." The reason he would say, is if you are going to work, you got to drive. And you don't want to inherit someone's broken down stuff. Love you Daddy always. Debbie

“ As I lay my Daddy to rest today, I am at peace because I know he is in a much better place. I was always daddy's little girl. One of my favorite memory of my dad was the year he took us to Florida and we caught sand crabs and had them in a bag and they got loose all in our motel room.
