“ Uncle Orvel was good to me when I was a teenage he would let me have his car to go to the movies but he said you be home by 10. He was like a dad that I never had and aunt Cora was a friend and loving caring, taking care of me.no one could make fruit salad like Uncle Orvel could. We still have a flower that he brought us a cutting of when we built our house it is blooming now so pretty. I'm not too good with words but I have lots of good memories that I will cherish until the day I leave this old world. My prayer is for all my family and friends to have Jesus in their hearts so we can rejoice together with uncle Orvel someday.
