“ We do not know each other but I read in the paper about your precious son. As a mother of two sons, I cannot fathom the pain you are feeling. It sounds as though he was a truly outstanding young man. Talented, giving, handsome and friendly are some traits I am sure he showed to all who knew him. I pray you know God's personal love and can feel His presence in this time of need. You will be in my prayers. Janice Luther

“ *Will will forever be missed by the folks at the pawn shop. Will has literally "grown up" in there, as a little boy, coming in with his Dad, and then coming in on his own when he got his drivers license. During all those years, the employees who worked there all just loved Will and his humor, they looked forward to seeing his smiling face. Rest in Peace sweet child of God.*

“ *I am so terribly sorry for the loss of one of the greatest men I've ever met. Will was a sweet, caring young man who didn't know who a stranger was, he only saw another person that he could call a friend. Will was an amazing soul and everyone knows he went to a great place in Heaven. Will was the spirit of the Pride, he was so patriotic for our country and overall was a generous and outstanding soul. I'm so sorry for the Freeman family's loss, your community is here for you.*
